What was your overall first impression of the website?

Very neat and clean. The website was welcoming and easy to navigate.

Did you have any technical difficulties as you navigated through the pages and displayed the projects?

Not that I could find

What do you feel are the most effective design elements of this web portfolio?

The color scheme is very attractive and easy on the eyes. The cards for each website are also very nice.

What would you suggest be changed with the design or content of this web portfolio?

Perhaps a few more details on the welcome page, but other than that it is very elegant to navigate
